Thanks, Jason, for your effort.

We have a plan to present to Commission.

Let me know if I can help and possibly speak to Commissioners if needed.

I may do this on this Thursday, for I will be up North on a business trip.

Otherwise, we will wait for further development on your side then.

Regards,

Calpine Unit 11 has some available GenReport RECs for 2004. You could try those.

But first, we need clearance from the Renewables Committee (Commissioner Geesman and Chairman Pfannenstiel) before we proceed.

Let me know if you have any questions.

Jason:

Following our discussion today, we have not purchased electricity in 2003 from SPPI, RECs only.
